West End Church is a worshipping community which seeks to glorify God by growing in faith, being open to and sharing in God's Word and Spirit. We seek to serve and support our local community. We encourage and promote a concern for people throughout the world because we believe that God's love embraces all of humanity.

Prayer Focus - .

As we embark on the period of Lent some of us may have given things up to help us focus on God's love for us. We approach Easter in the knowledge that our sacrifices are insignificant compared with the death of Christ.

Remind us that we are privileged if we are able to give up luxuries and unnecessary things and that many people barely have what they need to exist. Help us to become less selfish and not to lose sight of others as we consider our place in God's world.

May our journey through Lent be a journey back to God and bring an increase in understanding of his love for us.

Our Lent verse today:

' just as one trespass resulted in condemnation for all people, so also one righteous act resulted in justification and life for all people.' Romans 5:18

This week we remember our friends in **Riding Mill Methodist Church** in our prayers.

Don't forget the **Food Bank's** needs: .The ongoing needs are Washing powder; tinned meat and veg; long-life UHT; biscuits and crisps; They also welcome light custard which can be used with tinned fruit and soup
